Manufacturers & Installers of Quality PVC-U

## OUR COMPANY

Hastings Windows was established in 2000 specialising in the manufacture and installation of quality PVCu doors, windows and conservatories.

As a local business we pride ourselves in offering excellent customer service with a personal touch which extends throughout the Company. Hastings Windows are members of FENSA and the only 1066 business in the area to be awarded the prestigious BFRC 'A' Rated label.

All of our doors are manufactured at our St. Leonards based factory by skilled craftsmen. We have an extensive range of doors to view in our showroom where our friendly team are waiting to answer questions and offer guidance as necessary.

Long-lasting and virtually maintenance free, our PVCu front and back doors are attractive and practical. They won't fade or discolour and you can achieve a bespoke look with glass panels in a variety of designs.

## A DOOR TO OPEN INTO YOUR WORLD

Your house says a lot about you and creates an impression for visitors. Doors are an important feature to any home, so create a unique entrance by choosing from our range of doors. All of our doors are made by our skilled craftsmen, making your door stylish and secure.

Installing new high quality PVCu doors can improve your home in an instant, as well as maximising energy efficiency and security. All doors come with A-rated glass and will be FENSA registered.

Our doors are stylish and stand the test of time. They are low maintenance with no need for painting or any other treatments.

We provide a large range of colour and glazing options and all of our PVCu doors are manufactured in-house.

They are fitted with a high security locking system which offers you the peace of mind that your home is safe and protected for years to come.

### All you need from a door and more...

- High Security System
- Energy Efficient
- Colour choice
- Wood effect option
- Furniture choice
- Large range of obscure glass

### Energy Efficient

All of our doors are multichambered and are fitted with A-Rated glass. This ensures that the designs give top of the range energy efficiency for all doors.

## DESIGN YOUR OWN

Our range of doors are elegantly designed to suit the style that you want for your home.

Our personal service ensures that your wishes are met and that our specialist team deliver to the highest standard.

With our choice of colours, glazing, door furniture and bespoke finishes you can make your door your own to match any design you want to achieve.

### A choice of colours...

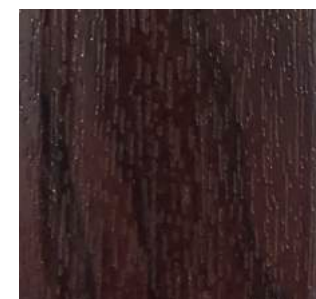

Our residential doors are available in a range of 3 different wood effects or 8 different colours, alongside the white PVCu. With our range of profile colours we are sure you will find something to suit your taste.

### Let's make it match...

We are able to provide you with a RAL code for a matching paint colour. This means you can paint an existing garage to match your new stylish door.
